NOTICE OF PROPOSED ACTION

Web Posting Date: 07/07/11

The Administrator, Division of Environmental Protection, Carson City, Nevada is issuing the following notice of proposed action under the Nevada Revised Statutes. The Administrator has received a complete renewal application for a water pollution control discharge permit (NEV2005501) from the following applicant:

Clark County Water Reclamation District (CCWRD)
5857 East Flamingo Road
Las Vegas, Nevada 89122

The applicant proposes to supply tertiary treated, filtered, partially denitrified and disinfected treated wastewater effluent for reuse in streetscape and park area open space landscape irrigation at the Sunrise Ridge development (formerly John Laing Homes) adjacent to the CCWRD facility in Las Vegas, Nevada. Treated effluent will be supplied by the CCWRD facility (NV0021261). Monitoring is required to assess the quality and quantity of effluent applied, and to ensure that groundwater quality is protected.

On the basis of preliminary review of the requirements of the Nevada Revised Statutes (NRS) as amended, and implementing regulations, the Administrator proposes to reissue a permit to discharge, subject to certain effluent limitations and special conditions. The permit for this facility will include sampling requirements to assure maintenance of the state ground water quality standards. The proposed permit will be issued for a five (5) year period.

Persons wishing to comment upon or object to the proposed determinations by the Administrator regarding permit issuance, or request a hearing pursuant to the Nevada Administrative Code, Water Pollution Control, should submit their comments or request, in writing, within thirty (30) days of the date of newspaper publication notice. However, the Administrator can, by this notice or with discretion, extend the comment period. All materials being submitted must be hand-delivered, e-mailed, faxed or postmarked no later than 5:00 P.M. PST, or PDT if in effect, on August 9, 2011, the close of noticed comment period, to:
